In accordance with Certification Case No. R-7252 by the National Mediation Board, the Communications Workers of America (CWA) is the representative union of the craft or class of Fleet and Passenger Service employees.
ARTICLE 2

SCOPE & SUCCESSORSHIP

A. This Agreement will be binding upon any successor or assign of the Company, unless and until changed in accordance with the provisions of the Railway Labor Act, as amended.

B. In the event of any merger of the Company with another airline which affects the seniority rights of employees covered by this Agreement, provisions will be made for the integration of seniority lists in a fair and equitable manner, including, where applicable, agreement through collective bargaining among or between the surviving airline and the representatives of the employee groups. In the event of a failure to agree, the dispute may be resolved in accordance with Sections 3 and 13 of the Allegheny-Mohawk Labor Protective Provisions provide, however, said procedures will not be provided, if and to the extent they are in conflict with applicable law.

C. The following additional requirements shall be applicable in the event of a merger:

1. Unless and until any operational merger is finally effectuated, the Union will continue to be recognized as the representative of the pre-merger Company employees, so long as such recognition is not inconsistent with the Railway Labor Act, as amended, and any applicable rulings or orders of the National Mediation Board.

2. The Company will notify the Union in writing of the merger in a timely manner.

3. The Company or surviving carrier, if different than the Company, shall meet promptly with the Union upon request to discuss the implementation of the requirements of paragraph B, above.

D. The Company agrees to give the Union thirty (30) days’ notice of station opening and station closing unless force majeure.
ARTICLE 3

SENIORITY

A. Company-wide seniority will be based upon length of active service with the Company and will begin to accrue on an employee’s date of hire with the Company.

B. Fleet and Passenger Service seniority will be based upon length of active service in a position covered by this Agreement and will begin to accrue on an employee’s date of hire in a position covered by this Agreement. Nothing herein will be deemed to affect the relative seniority within a particular station in effect prior to the date of signing of this Agreement.

C. The relative Fleet and Passenger Service seniority of employees whose date of hire in a position covered by this Agreement is the same will be determined by the employees’ dates of birth, oldest first.

D. Except as may otherwise be provided in this Agreement, Fleet and Passenger Service seniority will govern employees in the case of bidding work schedules, vacation preference, furlough, recall, job reassignment (including location movement) based on the needs of the operation and early release.

E. The Company will post and make available to the Union an updated station seniority list prior to a work schedule bid. The seniority list will contain the name of each employee, his position, and Company and Fleet and Passenger Service seniority dates. An employee will be permitted a period of fourteen (14) calendar days after the posting in which to protest any omission or inaccuracy affecting his seniority. If no protest is made within this fourteen (14) day period, the list, as published, will be deemed correct and no changes will be made thereafter.

F. An employee who transfers to a Fleet and Passenger Service supervisor position after the date of signing of this Agreement will retain and accrue Fleet and Passenger Service seniority for the first one hundred and eighty (180) consecutive days in such position and thereafter will retain but not accrue Fleet and Passenger Service seniority. An employee holding a Fleet and Passenger Service supervisor or manager position as of the date of signing of this Agreement will retain and accrue Fleet and Passenger Service seniority for the first one hundred and eighty (180) consecutive days after the date of signing and thereafter will retain but not accrue Fleet and Passenger Service seniority. An employee who transfers to any other position with the Company that is not covered by this Agreement will retain, but not accrue, Fleet and Passenger Service seniority. An employee who transfers to a position not covered by this Agreement may exercise his Fleet and Passenger Service seniority to return to a vacancy covered by this Agreement but may not displace an employee.

G. Company and classification seniority will be forfeited under the following circumstances:

1. Resignation
2. Discharge for just cause

3. Failure to return to service at the expiration of a leave of absence

4. Retirement

5. Expiration of recall rights

6. Or as otherwise provided in this Agreement
ARTICLE 4

FILLING OF VACANCIES

A. A list of current job assignments covered by this Agreement will be posted online on a Company website by location. Such list will be updated when job assignments are modified at any particular location. An employee who is interested in being considered for a specific job assignment may submit a standing bid, which will be reviewed at the time that a vacancy occurs.

B. When a vacancy occurs, and there are insufficient standing bids, the Company will post it online on a Company website for a period of seven (7) days.

1. Except as provided in paragraph 5., below, bids for vacancies will be awarded no later than the next schedule bid in the following order:

   a. The most senior employee at the same station who bids the vacancy;

   b. The most senior employee in the system who bids the vacancy;

   c. If no employee bids a vacancy, the Company may fill the vacancy by hiring a new employee.

C. If a vacancy becomes available prior to a new schedule bid, the Company may fill the vacancy temporarily by hiring a new employee. An incumbent employee who has a vacancy bid on file will not be negatively impacted by this process and will be moved to the position temporarily filled by the new hire with the next schedule bid or as soon as he is trained to fill the position, whichever occurs first.

D. Bids for the positions of Operations Agent, POC, or other specialty positions will be awarded by the Company at the Company’s discretion on the basis of qualifications. Seniority will be considered in the award process.

E. The successful bidder of a vacancy will be promptly notified of the award and its effective date by telephone or in writing (including electronic communication). A written record of the award will be contained in the employee’s personnel file. The employee will be given the written record on request. The successful bidder may be held in his current position until his replacement is trained up to a maximum of six (6) weeks.

F. An employee awarded a vacancy will be prohibited from bidding for another vacancy for a period of six (6) months from the effective date of the award. This prohibition may be waived by the Company.

G. An employee awarded or assigned a vacancy will be subject to a sixty (60) day probationary period for evaluating the employee’s ability to perform the duties of the awarded or assigned vacancy. If the Company determines that the
employee does not have the ability to perform such duties competently, the employee will be returned to his former position.
ARTICLE 5

A. Furlough

1. If an insufficient number of employees accept voluntary furlough in accordance with paragraph B., below, employees will be involuntarily furloughed in inverse order of seniority at the station and position where the furlough is necessary.

2. An employee to be furloughed will be notified at least twenty-one (21) days in advance of the furlough or receive pay in lieu thereof for any period less than the twenty-one (21) days' notice, except in cases of emergency, strikes, Acts of God or other circumstances beyond the control of the Company. The Company will notify the Union of the reason for the furlough.

3. An employee to be furloughed will have the following options:
   a. Exercise his seniority to fill a vacancy for which the employee is qualified in the station; if none, then;
   b. Exercise his seniority to fill a vacancy for which the employee is qualified at another station; if none, then;
   c. Exercise his seniority to fill any vacancy in the system; if none, then;
   d. An employee with at least two (2) years of service may bump a more junior employee with less than two (2) years of service anywhere in the system, provided he is qualified to perform the job of the employee he intends to bump;
   e. Accept furlough at his station.

4. An employee must notify his Station Manager or designee within five (5) days after receipt of notice of furlough as to which of the above options he elects. An employee who fails to provide such notice will be deemed to have elected to be placed on furlough at his station.

5. An employee who is furloughed will accrue seniority, but not longevity, during the furlough.

B. Voluntary Furlough

Prior to involuntary furloughing employees, the Company will offer voluntary furloughs.

1. Voluntary furloughs will be granted in order of seniority at the station and position where the furlough is necessary.
2. An employee on voluntary furlough will accrue seniority, but not longevity, during the furlough.

3. The initial voluntary furlough will be for ninety (90) days unless the employee is recalled sooner. 
   An employee on voluntary furlough may request an extension. Any such extensions will be in thirty (30) day increments.

4. Upon the expiration of the voluntary furlough, the employee will return to the station and position he held immediately prior to the voluntary furlough. If the station is closed, the employee will be considered furloughed and may exercise his rights in accordance with this Article.

C. Recall

1. A furloughed employee will retain recall rights for four (4) years from the date of the furlough.

2. A furloughed employee must keep Human Resources advised of his current address and telephone number.

3. Recall from furlough will be in order of seniority at the station and position from which furloughed. Recall will be attempted first by phone. If telephone attempts fail, a written notice will be sent to the last address on file with the Company. Refusal to accept delivery constitutes delivery. Once telephone contact is made or the written notice is delivered, the employee will have seven (7) days to notify the Station Manager or designee of his intent to accept recall. Unless otherwise extended by the Company, a furloughed employee will have no less than fourteen (14) days after telephone contact or the delivery of the recall notice to return to service.

4. Furloughed employees will be given preference for vacancies at any station while on furlough. Employees who accept such a vacancy will retain recall rights to their original station and position.

5. If the employee is not recalled to the station and position held at the time of furlough or does not accept a vacancy at another station within four (4) years, all recall rights will be extinguished.

D. Vacation Bank Pay Out

   Accrued, unused vacation time will be paid to employees who are furloughed.

E. Health, Dental & Life Insurance

   The Company will continue to pay the Company’s portion of the cost of applicable medical/dental and life insurance until the end of the month in which the employee is furloughed. Thereafter, the employee may continue to participate in the group plan by paying for coverage in accordance with COBRA, including the applicable administrative fee.
F. Furlough Pay

Employees will be paid furlough pay in accordance with terms no less favorable than the Company policy in effect July 2017 for those employees covered by this Agreement. Employees who transfer due to a station closing will receive furlough pay in accordance with such Company policy provided they remain through the furlough date.

ARTICLE 6

HOURS OF SERVICE

A. Work Hours

The normal scheduled work week for full time employees will consist of forty (40) hours with five (5) scheduled work days and two (2) consecutive days off, and for employees normally scheduled for four (4) work days of ten (10) hour shifts, three (3) consecutive days off. Part time employees may normally be scheduled for varied hours depending on operational needs up to a maximum of thirty (30) hours per week. Part time employees will be required to work fifty percent (50%) of their scheduled hours. An employee may be released from work in seniority order by work group and shift when flight schedules are cancelled or changed for any reason. If an insufficient number of volunteers agree to be released, employees will be released in inverse seniority order.

B. Meal Periods

For shifts scheduled for six (6) hours or more, an employee will be given a thirty (30) minute unpaid meal period. Reasonable attempts will be made to provide an uninterrupted meal period between the 3rd and the 6th hour of the shift. An employee who is required to work through his meal period will either be paid at the applicable rate for his meal period or, upon mutual agreement of the employee and his manager, released from work thirty (30) minutes before the scheduled end of the shift. An employee who is not provided his full thirty (30) minute meal period will be paid at the applicable rate for the entire meal period or, upon mutual agreement of the employee and his manager, released from the work thirty (30) minutes before the scheduled end of the shift.

C. Rest Breaks

1. The Company will make every reasonable effort to ensure that employees are provided two (2) fifteen (15) minute break periods for a scheduled shift of at least eight (8) hours.

2. Employees may use non-work periods as break time, or if there is no non-work down-time, an employee on a scheduled shift of at least eight (8) hours and his supervisor will mutually agree on a break period.

3. To the extent applicable law requires that employees covered by this Agreement be provided with different meal periods than are set forth above, and such law cannot be waived by the parties, an employee shall be entitled to the more generous meal period schedule required by law or this Agreement.

D. Schedule Bids

1. The Company will post at each station a work schedule bid, which will include shift start times and days off other than open time lines in D.7. If applicable, separate work schedule bids will be posted for each position required at a
station. Work schedules will be bid at least once every six (6) months. The Company will meet with the Union (telephonically or in person) to consider input from the Union when establishing shift schedules at each location; provided however, that the Company may proceed without the Union’s input if a Union representative is not available.

2. Work schedule bids will be posted and will remain open for at least fourteen (14) days.

3. Work schedule bids will be awarded in order of classification seniority and based on their full time or part time status to employees who have completed any necessary training and are qualified to perform the work being bid. Bids will be awarded at least fourteen (14) days before the start of the next bid period.

4. Permanent shift trades (i.e., for the entire bid) will be considered provided they are received no later than the seventh (7th) day of the posting period and are cost neutral to the Company.

5. If no bid is received from an employee by the bidding deadline, he will be assigned a work schedule in an open position for which he is qualified, if available. Such assignments will be made in seniority order after all submitted lines have been awarded.

6. An employee on an authorized leave of absence will not be eligible to bid a work schedule if his projected date of return to service is later than the end of the current bid period. Such an employee who returns to service during a bid period for which he was ineligible to bid will be assigned a work schedule. If multiple work schedules are available, the employee may select the work schedule.

7. Open time lines may be used to cover vacation, leave of absence, training and terminations. If more than one (1) open line exists, open time employees may select from such lines in seniority order.

E. Shift Start Times

The Company will establish shift start times based on the needs of the service.

F. Shift Trades

1. Qualifications permitting, employees will be permitted to trade shifts with each other.

2. A shift trade must be requested with reasonable advance notice on the appropriate form or method and approved by the manager or the designee. Approval for shift trades will not be unreasonably withheld.

3. Each employee will be responsible for his own attendance on the date and times of the approved trade. Once approved, the shift trade shall not
revert back to the original owner unless by mutual agreement between the employees involved and the Company.

4. The number of shift trades that an agent may work is not limited except that each employee must have at least one (1) day off in every seven (7) consecutive days and no employee may work more than three (3) consecutive full time equivalent shifts in a row.

5. Shift trades between full time and part time agents are permitted.

6. Permanent shift trades shall be administered in accordance with Paragraph D.4 above. Partial shift trades, one way shift trades, and multiple shift trades are subject to management approval.

7. Full time employees are expected to average thirty-two (32) hours to maintain full time status. If an employee does not maintain these hours over a three (3) month period, the Manager will address the issue individually with the employee. The employee will be given a three (3) month period to increase his hours. If the employee fails to maintain the necessary number of average hours, the employee will be required to bid on a part time line at the next bid. The employee will be prohibited from bidding on a full time line for twelve (12) months.

8. A shift trade between a supervisor and an agent is permitted subject to manager approval. If the swap is allowed, no pay adjustment will be made.

9. No overtime will be paid as a result of a shift trade.

   The Company may deny any trade request if granting the request would require the Company to pay overtime to either or both employees under applicable law.

10. Violations of the shift trade policy may result in the loss of shift trade privileges.

G. Minimum Hours

   An employee who is called to report to work on his day off will receive a minimum of four (4) hours of pay.

H. Severe Weather or Acts of God

   1. Employees must make every reasonable effort to report to work during periods of inclement weather. Employees are not required to report to work if travel is prohibited by state or local authorities.

   2. The Company will inform the employees as soon as practical when operations are reduced or cancelled and employees are not required to report to work. If less than a full complement of employees is required due
to severe weather, employees may be granted time off within the work group and shift in seniority order.

3. In the event an employee is late or fails to report due to severe weather conditions (as described in 1 above), the absence will be unpaid unless he opts to use a DAT vacation day or personal day.

4. The Company will inform employees of any transportation news of which it knows that may affect their ability to leave the airport.
ARTICLE 7

PROBATION

A. An employee will be on probation for the first ninety (90) days in a position covered by this Agreement. This period may be extended for an additional ninety (90) days at the Company’s discretion.

B. If days of work are missed due to sickness, injury, leave of absence or any other reason, the probationary period will be adjusted to meet the probationary requirement.

C. Employees may be disciplined or discharged at the sole discretion of the Company during the probationary period. The grievance/arbitration procedure will not apply to the discipline or discharge of probationary employees.
ARTICLE 8

OVERTIME

A. The Company shall solicit volunteers for awarding of overtime prior to mandatory overtime being assigned. The Company shall notify employees of voluntary and mandatory overtime as soon as it is determined that such overtime is required.

B. Overtime made available for bid at a station will be awarded/assigned in the following order:

1. To the most senior qualified part time employee at the station who volunteers for the assignment; then

2. If no qualified part time employee volunteers, to the most senior qualified full time employee at the station who volunteers for the assignment; then

3. If no qualified full time employees volunteer, shall be assigned to qualified part time employees in inverse order of seniority; then

4. If no qualified part time employees to be assigned, shall be assigned to qualified full time employees in inverse order of seniority.

C. Mandatory overtime consisting of a shift extension will be assigned first to part time employees on the shift and in the work group where the overtime is needed in inverse seniority order and then to full time employees on the shift and in the work group where the overtime is needed in inverse seniority order. Nothing in this paragraph will prevent the Company from assigning the work to another employee who volunteers for the assignment in lieu of it being assigned to an employee involuntarily.

D. No employee shall be required to work more than twelve (12) hours per day, unless required to remain on duty (e.g., to cover the last flight of the day).

E. An employee who volunteers to work a minimum of five (5) hours of overtime on a regularly scheduled day off prior to the Company contacting the employee to assign mandatory overtime shall not be mandatorily assigned overtime on that shift.

F.

1. The Company will assign mandatory overtime not made available for bid (other than mandatory overtime consisting of a shift extension) first to qualified part time employees at the station in inverse seniority order and then to full time employees at the station in inverse seniority order as soon as practical after becoming aware of the need for such involuntary overtime. In the event that current day mandatory overtime is needed, employees will be given as much notice as possible and at a minimum one (1) hour notice prior to the beginning of the mandatory overtime assignment, excluding acts of God, diversions, mechanical delays, return to
field/gate, force majeure, or other operational delays not known to the Company more than one (1) hour before the mandatory overtime is deemed to be required.

2. Except for the exclusions specified in F.1. above, in the event that mandatory overtime is assigned with less than one (1) hour notice, the mandatory overtime worked will be paid at one and one-half (1 ½) time rate.

3. Nothing in this paragraph will prevent the Company from assigning the work to another employee who volunteers for the assignment in lieu of it being assigned to an employee involuntarily.

G. A rotation method for the assignment of mandatory overtime may be established locally when mandatory overtime coverage is known in advance for specified periods of time. The rotation method will be implemented when mutually agreed to by the Company and Union.

H. In the event that an individual employee disputes whether he should have been awarded a specific overtime assignment, and the Company agrees with the employee, the employee shall be entitled to receive the next available overtime.

I. Overtime will be paid at one and one-half (1 ½) times an employee’s straight time rate of pay for all hours worked over forty (40) for the work week.

J. The following will be deemed as hours worked for purposes of overtime calculations:

   1. Paid vacation time taken by an employee;

   2. Paid holiday time;

   3. Paid bereavement, leave of absence

   4. Extension of a scheduled shift due to participation in a grievance hearing

K. Overtime will not be worked without prior authorization or direction from the Company.

L. An employee who is given a mandatory shift extension will be paid for thirty (30) minutes for the first thirty (30) minutes of the shift extension or fraction thereof, and will be paid for an additional thirty (30) minutes for each subsequent thirty (30) minutes of the shift extension or fraction thereof.

M. At the station manager’s discretion, employees will be given the option of using compensatory time off in lieu of overtime pay. At stations that have decided to permit employees the option of using compensatory time off in lieu of overtime pay, such requests will not be unreasonably denied.

N. All mandatory overtime assigned to employees who are off duty must be confirmed by the employee.
O. An employee called in for work on a scheduled day off will be paid a minimum of four (4) hours for such call-in. An employee will be given as much advance notice as possible when called in to work on his day off.

P. An employee who has been assigned mandatory overtime will be afforded a period of not less than eight (8) hours rest from the completion of the mandatory overtime until the start of the employee’s next scheduled shift. In the event that this rest period extends into the employee’s next scheduled shift, the Company may elect to have the scheduled start time of his next shift delayed to provide for the above minimum eight (8) hour rest period. The employee will be pay protected for the portion of the shift missed, unless the Company extends the entire shift by the amount of the delay. The foregoing minimum rest does not apply in situations where any employee volunteers to work back-to-back shifts. An employee may elect to waive the rest period if the shift is extended.

Q. Overtime lists will be established in Roster Apps for each work group. Only those employees signed up on the overtime list will be contacted during the award process. The Company will maintain two (2) voluntary lists: One (1) list for those employees volunteering to work less than four (4) hours of anticipated overtime, which shall be referred to as the “shift extension overtime list”, and one (1) list for those employees volunteering to work four (4) or more hours of voluntary overtime, which shall be referred to as the “overtime list”. Paragraph B above shall apply in the award of extension of shift overtime pursuant to this Paragraph Q.
ARTICLE 9
TRAINING

A. Employees may be required to be trained on job functions performed at their station.

B. Employees who have completed their probation period and are required to attend training away from their base will be provided with single-room accommodations lodging during training.

C. All employees attending training away from their base will be paid a per diem allowance for meals in accordance with Company policy. Effective on the first day of the first full pay period following the date of ratification of the renewal Collective Bargaining Agreement, the per diem allowance of $25.00 shall be increased to $30.00.

D. Employees must successfully complete training. A non-probationary employee who fails a first attempt at training will be given a second training attempt. If the employee does not successfully complete the second attempt at required training, he may return to his previous position, if qualified. If there is no such position for which the employee is qualified, his continued employment is at the Company’s discretion.

E. Employees who attend training are expected to act professionally. Employees absent or late for class are subject to the Company’s dependability program.

F. Time spent in scheduled training classes or approved travel to and from training will be considered hours worked for the purposes of Article 8 (Overtime) and Article 13 (Compensation).

G. Employees are expected to remain current. On a timely basis (i.e., by its due date as published by the Company), each employee shall be required to successfully complete Computer-based Training Courses or the equivalent. The Company will provide at least thirty (30) days’ notice of all such required training. The Company shall provide ten (10) days’ notice for read and sign and ad-hoc training as agreed to with the Union.

H. Employees who attend training on a scheduled day off will be paid the greater of the actual time in training or two (2) hours.

I. Employees shall be allotted time during work hours to complete Company required training.
ARTICLE 10

UNIFORMS

B. Provision and purchase of the initial standard uniform:

The Company shall provide a new employee with two (2) uniform tops, two (2) uniform bottoms and a jacket appropriate to the location and position. The employee will have the option of long or short sleeve tops and pants or shorts. The employee will be responsible for the purchase of the balance of the initial standard uniform items.

C. The amounts owed by an employee for the initial standard uniform may be paid in cash or payroll deducted. Minimum payroll deductions will be $25 per pay period until paid in full.

D. Upon resignation or termination, any remaining balance for the employee’s initial standard uniform will become immediately due and payable. The remaining balance may be deducted from the employee’s final paycheck.

E. The Company will make available earplugs, safety vests, lav suits, knee pads and disposable gloves to those employees required to have such equipment to perform their duties.

F. Uniform Allowance

1. On the first day of the employee’s anniversary month, he shall receive a $325 credit to be used to purchase new uniform pieces.

2. $100 of the $325 credit will be paid to the employee to be used for the purchase of gloves, shoes and uniform cleaning.

3. The credit will carry over from year to year up to a maximum of $425 and will replenish on the first day of the anniversary month each year.

F. In order to be eligible for holiday pay, full and part time employees must work their scheduled shift both immediately preceding and following the holiday, unless the employee presents proof of illness from a qualified medical examiner or for other reasons submitted (ex: death in family) and proof is accepted by local management personnel. An employee on a leave of absence will not be eligible for holiday pay, nor will an employee who fails to report for work on a holiday as scheduled or directed.

G. If a holiday falls during a vacation, an employee shall be paid for the holiday in addition to vacation.

1. A full time employee with at least one (1) year of active service with the Company will receive one (1) floating holiday per year in addition to the holidays specified in paragraph A. above.

2. A full time employee with at least two (2) years of active service with the Company will receive a second floating holiday per year.

3. A full time employee will be paid at his applicable straight time rate of pay for hours of work missed while on a floating holiday.
4. An employee eligible for a floating holiday will request it in writing at least forty-eight (48) hours in advance, and such floating holiday will be scheduled by mutual agreement of the employee and the Company.

</tr>
<tr>
<td>10 Years</td>

</tr>
<tr>
<td>15 or more Years</td>
<td>80 hours</td>
</tr>
</tbody>
</table>

B. Pay for Vacation

1. Except for Day-at-a-Time (“DAT”) vacation under paragraph D., below, vacations may be split into periods of not less than forty (40) hours each.

2. An employee will be paid at his applicable straight time rate of pay for all hours of vacation.

3. An employee may elect to rollover one (1) week of vacation from one (1) year to the next.

4. Employees may swap for a day off and use a DAT to be paid up to the applicable maximum DAT vacation specified in paragraph D or E below.
The employee must notify the Company in writing of his intention to utilize DAT vacation for this purpose no later than the day of the swap.

C. Vacation Bidding and Awarding

1. The Company will post requests for vacation preferences by workgroup for the following year on Company bulletin boards and by electronic method at each station no later than October 15 of each year.

2. Employees must list their vacation preferences no later than November 15. When necessary, an employee may use a proxy to list his vacation preferences.

3. Vacation schedules will be arranged by the Company according to employee preference in order of Company seniority, except that the number of employees who may be on vacation at the same time will be limited by the requirements of the service. The vacation periods awarded or assigned by the Company will be posted on Company bulletin boards and by electronic method at each station no later than December 1.

4. An employee who does not list his vacation preferences by the bid closing date may choose from available vacation weeks on a first come first serve basis throughout the year. If employees fail to schedule vacation the Company may assign vacation to ensure use.

5. An employee may trade his awarded or assigned vacation with an available open vacation period after December 1 by submitting a written request at least fifteen (15) days prior to the awarded or assigned vacation or the available open vacation period he wishes to trade for, whichever is earlier. The written request must indicate the awarded or assigned vacation period(s) to be traded and select the vacation period(s) from available open vacation periods in the same calendar year. Trades will be awarded on a first come, first serve basis.

D. Day-at-a-Time ("DAT") Vacation for Full time Employees

1. At the time an employee lists his vacation preferences, he may elect to reserve forty (40) hours of vacation for the purpose of taking one (1) to five (5) days of vacation at a time. DAT vacation must be taken in increments equal to the number of hours in the employee’s normal shift.

2. Requests for DAT vacation will be granted in order of Company seniority, unless the requirements of the service prevent such requests from being granted.

3. Requests for DAT vacation will be granted or denied by the Company no less than forty-eight (48) hours in advance of the day the employee is requesting off.
4. DAT vacation may be rolled over from one year to the next pursuant to paragraph 8.3 above; however in no case shall an employee be able to roll over more than one (1) week of vacation from one (1) year to the next.

E. Day-at-a-Time (“DAT”) Vacation for Part-time Employees

1. At the time an employee lists his vacation preferences, he may elect to reserve one (1) week of vacation for the purpose of taking DAT vacation, to be paid at ten (10) hours per day.

2. Requests for DAT vacation will be granted in order of Company seniority, unless the requirements of the service prevent such requests from being granted.

3. Requests for DAT vacation will be granted or denied by the Company no less than forty-eight (48) hours in advance of the day the employee is requesting off.

F. Cancellation of Vacation

1. The Company will make every reasonable effort to honor awarded vacation. In the case of unpredicted operational necessity, the Company will give at least two (2) weeks’ notice of vacation cancellation, if the circumstances leading to such cancellation are known sufficiently in advance. If the circumstances are not known sufficiently in advance, as much notice as possible will be given.

2. If an employee’s vacation is canceled by the Company, he will be paid one and one half times (1 ½) for all hours worked during the cancelled vacation week and permitted to reschedule the vacation by selecting from the remaining available open vacation periods. If there are no such periods by the end of the calendar year, the employee will carry his vacation over to the next year. The employee will be given priority in choosing one (1) week of his vacation in the next year.

3. If an employee’s vacation is canceled and the employee immediately advised the Company that cancellation of the vacation will result in the forfeiture of deposits, the Company will reimburse the employee for all reasonable and actual non-refundable deposits made by the employee in reliance upon the originally scheduled dates. The Company may, at its discretion, require the employee to submit documentation of the forfeited deposits. Vacations will be canceled in inverse order of seniority at a station.

G. If an employee is awarded or assigned a station vacancy or displaced to a new station from his present station, he will reschedule his vacation by selecting from available open vacation periods at the new station. If there are no such periods by the end of the employee’s vacation year and a mutual agreement cannot be reached, the employee will carry his vacation over to the next year. If an
employee is displaced, the Company will honor one (1) week of his previously scheduled vacation time from his prior station.

H. If an employee with at least one (1) year of active service voluntarily leaves the Company, he will be paid for all earned but unused vacation time.

I. In the event of an employee’s death, his earned but unused vacation time will be paid to his estate.

J. If an employee on vacation is hospitalized because of a medical emergency, he may elect to charge the period of hospitalization to sick leave rather than vacation.

K. Awarded vacation periods will be scheduled on consecutive days beginning on Monday and ending Sunday. Consistent with operational needs the bid period may be adjusted to permit scheduled days off prior to and following the vacation period.

L. Before choosing a vacation slot that involves a prime holiday vacation period, management at a station will give due consideration to the vacation preferences of bargaining unit employees by workgroup at the station with more seniority. Management and the shop steward at a station will meet and confer over any concerns regarding the award of vacation.

COMPENSATION

A. See Scales.

B. An employee will have the opportunity to earn up to a $200.00 lump sum performance bonus payment on June 1 and December 1 of each year. An employee who meets the dependability metrics below shall be eligible for a $100.00 payment for dependability and a $100.00 payment for training. The lump sum performance bonus will be earned as follows:

1. Dependability

   If the employee has two (2) or less Dependability Occurrences in the previous six (6) months.

2. Training

   If he successfully completes all of the Company-mandated training within the time frames specified.

C. If a city, state or local ordinance rate is higher than the start rate on the scale, the employee will be paid the rate until his/her seniority exceeds the ordinance rate, at which point the employee shall progress on the scale annually. This will apply to any other city, state or local ordinance that is higher than the start rate on the scale. The Union shall be notified of any differential applied as a result of any required city, state or local ordinance.

D. All seasonal stations will be a flat rate.

E. In the event that the Company, in its sole discretion, finds that any or all of its starting pay rates as specified in this Article, are noncompetitive with local market starting rates for similarly situated jobs, the Company may hire applicants at any station at rates of pay higher than those starting rates specified in this Article. As market conditions change, the Company may, in its sole discretion, change its designated starting rate. The designated starting rate may be higher or lower than previous designated starting rates; however, the starting rate may not be lower than Step 1 or higher than the maximum hourly rate in the applicable pay scale.

F. In those stations/base/locations where higher starting rates of pay are designated in accordance with this Article, all employees in that classification(s) at that station who are receiving less than the new designated starting rate of pay will have their rate of pay concurrently increased to the new designated higher starting rate for that classification(s) in that station/base/location effective the date of hire of a new employee at the higher starting rate.
G. The Company may determine to pay a city differential in an amount and at
stations that it designates using the existing scales in this Agreement and discuss
with the Union prior to implementation.

H. An employee will be paid for actual time worked in hours and fractions of an
hour, in minutes, properly reported and verified. An employee may be required
to punch in and out at time clocks or other electronic time tracking device.

I. Paychecks will be distributed via direct deposit bi-weekly (every other Friday).

J. Paychecks will include an itemized statement of all hours, wages, adjustments
and deductions for the pay period, year to date wages, FICA and withholding
taxes.

K. Pay rate increases will be effective with the pay period beginning nearest the
employee’s anniversary date.

L. An employee will be eligible for 401K in accordance with the Piedmont Airlines,
Inc., Employee Savings Plan.

M. An employee who successfully completes training and remains proficient to work
airline computer reservations systems for two or more carriers will receive $250 per
quarter.

N. An employee who works a scheduled split shift will receive an extra hour of pay
at his straight time rate of pay if the break in his shift is at least two (2) hours in
length.

O. Employees working in the Operations or Tower area in CLT, DCA, PHL or PHX shall
receive an Operations differential of one dollar ($1.00) per hour for all hours
worked in these areas. Should the Company determine that an additional
location(s) has reached a capacity or level of complexity to warrant an
Operational differential, such determination shall be communicated in writing to
the Union and the location will also become eligible for the Operations
differential.

P. The rates of pay for any new station not covered by the wage scales in this
Agreement shall be established by the Company using the existing scales in the
Agreement and discussed with the Union prior to the commencement of the
recruiting for any positions covered by this Agreement.

Q. Effective on the first anniversary date of signing, and each anniversary date there
the Company shall designate each calendar year no less than ten (10) Revenue
Premium Days ("RPD") by location, to be paid at time and one-half (1.5) to
employees who would otherwise be paid at straight time rates. Employees who
work on a designated RPD who would otherwise be paid at overtime rates for the
RPD will be paid double time (2) for the RPD. This provision shall expire on
December 31, 2022.
R. Provided a renewal agreement is ratified no later than November 30, 2018, an employee with at least one (1) year of completed service as of the date of signing of the Agreement will receive a lump sum date of signing payment equal to 6% of the employee’s 2017 W-2 earnings, less applicable taxes and deductions. Such payment shall be made within thirty (30) days of ratification of this Agreement. All employees eligible for a lump sum date of signing payment under this paragraph shall receive a minimum lump sum payment of $400, less applicable taxes and deductions.

S. If any employee with at least one year of completed service as of the date of signing and each DOS anniversary date would not receive at least a 3% increase to his total hourly pay rate based on his longevity on the new scale, he will receive a lump sum calculation payment in an amount that would equate to a 3% annual increase (based on prior year W-2 earnings) The same lump sum would apply on DOS and each DOS anniversary date thereafter for the duration of the Agreement.
Examples of the 3% Lump Sum Calculation Provision using scale below:

Example 1:

An employee who has completed one year of service as of the DOS and is covered by the following wage scale will be earning $10.89 per hour. Assuming the employee completes the second year of service on February 1, 2019, the employee will receive an anniversary date step increase on February 1, 2019. The employee’s hourly rate will increase to $11.29 on February 1, 2019. On DOS+12, the employee’s hourly rate will increase from $11.29 to $11.79. A 3% increase to $10.89 would be $11.22 ($10.89 x 1.03 = $11.22). The actual annual increase this employee will receive is 8.26% ($10.89 x 1.0826 = $11.79). Since the employee is receiving at least a 3% annual increase as measured between the DOS hourly rate of $10.89 and the DOS+12 hourly rate of $11.79, the amount of the DOS+12 increase will not trigger a 3% lump sum minimum adjustment payment.

Example 2:

An employee who has completed 20 years of service as of the DOS+24 and is covered by the following wage scale will be earning $17.00 per hour. Since the employee is at the top-of-scale rate, there will be no additional wage increase on the employee’s anniversary date. However, on DOS+36, the employee’s hourly rate will increase from $17.00 to $17.25. A 3% increase to $17.00 would be $17.51 ($17.00 x 1.03 = $17.51). The actual annual wage increase this employee will receive is 1.47% ($17.00 x 1.0147 = $17.25). Since the employee will not be receiving at least a 3% annual increase as measured between the DOS+24 hourly rate of $17.00 and the DOS+36 hourly rate of $17.25, the amount of the increase will trigger a 3% lump sum minimum adjustment payment on DOS+36. Therefore, the employee will receive a minimum 3% lump sum adjustment payment and it will be calculated as follows:

- 3% minimum increase minus 1.47% actual increase = 1.53% required lump sum adjustment payment
- Assuming this employee’s W-2 earnings in the year prior to the YOS+36 increase are $35,000, the employee will be eligible for a lump sum adjustment payment of $535.50 ($35,000 x .0153).
Examples of the 3% Lump Sum Calculation Provision using CLT/PHX:

Example 1:

An employee who has completed one year of service as of the DOS and is covered by the following wage scale will be earning $12.14 per hour. Assuming the employee completes the second year of service on February 1, 2019, the employee will receive an anniversary date step increase on February 1, 2019. The employee’s hourly rate will increase to $12.54 on February 1, 2019. On DOS+12, the employee’s hourly rate will increase from $12.54 to $13.04. A 3% increase to $12.14 would be $12.50 ($12.14 x 1.03 = $12.50). The actual annual increase this employee will receive is 7.4% ($12.14 x 1.074 = $13.04). Since the employee is receiving at least a 3% annual increase as measured between the DOS hourly rate of $12.14 and the DOS+12 hourly rate of $13.04, the amount of the DOS+12 increase will not trigger a 3% lump sum minimum adjustment payment.

Example 2:

An employee who has completed 20 years of service as of the DOS and is covered by the following wage scale will be earning $17.60 per hour. Since the employee is at the top-of-scale rate, there will be no additional wage increase on the employee’s anniversary date. However, on DOS+12, the employee’s hourly rate will increase from $17.60 to $18.00. A 3% increase to $17.60 would be $18.13 ($17.60 x 1.03 = $18.13). The actual annual increase this employee will receive is 2.27% ($17.60 x 2.27 = $18.00). Since the employee will not be receiving at least a 3% annual increase as measured between the DOS hourly rate of $17.60 and the DOS+12 hourly rate of $18.00, the amount of the increase will trigger a 3% lump sum minimum adjustment payment as of DOS+12. Therefore, the employee will receive a minimum 3% lump sum adjustment payment and it will be calculated as follows:

- 3% minimum increase minus 2.27% actual increase = .73% required lump sum adjustment payment
- Assuming this employee’s 2018 W-2 earnings are $30,000, the employee will receive a lump sum adjustment payment of $219.00 ($30,000 x .0073).

LEAVES OF ABSENCE

A. Personal Leave of Absence

Upon written request to a Company designated representative, the Company may, at its discretion, grant an employee an unpaid personal leave of absence. Such request will not be unreasonably denied. An employee will retain and accrue Fleet and Passenger Service seniority but not longevity for purposes of pay and benefits during the leave. No employee on a personal leave of absence may be gainfully employed without first receiving written approval from the Company.

B. Medical Leave of Absence

Upon written request to a Company designated representative accompanied by satisfactory medical evidence of his inability to perform the duties of his position, an employee, who is either ineligible for or has exhausted his sick leave, will be granted an unpaid medical leave of absence not to exceed a continuous period of two (2) years. During such leave, an employee will retain and accrue Fleet and Passenger Service seniority. An employee will accrue longevity for purposes of pay and benefits for the first ninety (90) days of such leave and thereafter retain longevity.

C. Union Leave of Absence

At the request of the Union and with thirty (30) days' notice, an employee will be granted an unpaid leave of absence to accept employment with the Union for a minimum duration of thirty (30) days up to three (3) years. No more than twelve (12) employees may be on Union leave of absence at any one time. During such leave, an employee will retain and accrue Fleet and Passenger Service seniority. An employee will accrue longevity for purposes of pay and benefits while on such leave. The Company official will document the observations and/or reason(s) that lead to the requirement for a medical examination. The employee, upon request to Human Resources, shall be furnished a copy of the Company's medical examiner's report and a copy of the observations and/or reason(s) that led to the requirement for the medical examination.

1. 2. A copy of the findings of the medical examiner chosen by the employee will be furnished to Human Resources within fifteen (15) days following the examination, and in the event that such findings verify the findings of the medical examiner employed by the Company, no further medical review of the case will be afforded.

3. In the event that the findings of the medical examiner chosen by the employee disagree with the findings of the medical examiner employed by the Company, the Company will, at the written request of the employee, ask that the two (2) medical examiners agree upon and appoint a third qualified and neutral medical examiner, preferably a specialist, for the purpose of making a further medical examination of the employee to determine his fitness for duty.

4. Such three (3) medical examiners, one (1) representing the Company, one (1) representing the employee affected, and one (1) neutral medical examiner approved by the Company medical examiner and the employee’s medical examiner will constitute a board of three (3), the majority vote of which will decide the case.

In addition, the employee will be reimbursed for his share of the expense of employing a neutral medical examiner.

F. The above procedures do not apply in the case of time sensitive examinations, such as an examination required by law.

G. Nothing in this Article shall prevent an employee from exercising his rights under the grievance procedures of this Agreement.

in matters properly referable to it will be final and binding. If a majority of the Board Members does not concur on a grievance, a “Neutral Board Member,” will be selected in accordance with paragraph G., below, to become a member of the Board. The Board will consist of three (3) members; the neutral, one (1) representative from the Company and one (1) representative from the Union.

An employee who has executed a dues authorization and who has been transferred or promoted to a position to which the provision of this Agreement are not applicable (excluding “temporary” or “acting” promotions or transfers) or who quits, resigns or is discharged for just cause from the Company shall be deemed to have automatically revoked his or her assignment as of the date of such action. If he or she transfers back or returns to a position to which the provisions of this Agreement are applicable or is rehired, further deductions of Union dues will be made only upon the execution and receipt by the Union of a new dues authorization.

H. Deductions provided for in this Section shall be remitted to the properly authorized Union official during the month following the deduction, and the Company will furnish a record of the names of those employees from whom deductions have been made.

I. No Deductions shall be made for employees for any period during which they are on unpaid leave.

J. The Union shall indemnify and save the Company harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reasons of the provisions of this Section, including attorney’s fees and costs incurred in the defense of any such action. The Company shall promptly notify the Union of any such claim of liability made against the Company.

RE: Flexible Schedules

Dear Ms. Krueger,

During the last round of bargaining leading to the current Agreement that became effective on August 6, 2012, the parties agreed to the establishment of flexible schedules for a limited number of employees at DCA.

The grandfathered flexible schedules will not be backfilled.

Should the Company identify a need to establish future flexible schedules for employees with similar special scheduling needs, it will discuss the establishment of the schedules with the Union in advance of implementation, and the same grandfathering and backfill rules noted above will apply.

Sincerely,

Michelle R. Foose
Vice President, Human Resources
